# *Foreword*

In choosing "Treasure" as the theme for our yearbook, we had in mind the great unquestionable benefits we believe we have derived from our high school training.

We have carried our theme on the divider pages of our book in this order: the treasure to be found in sharing knowledge, in sharing responsibility, in sharing service, in sharing memories, in sharing fun and recreation, in sharing teamwork, and in sharing good will.

To give life and color to our theme we have used the pirate motif, and our cover bears the Tiot treasure ship which, as it sails out into the wide ocean of Life, carries the editors' wish for smooth sailing under sunny skies to you all.

MR. JOHN B. KELLEY

## Dedication

Whenever a beautiful baritone voice booms through the corridors of Norwood High School, we all recognize that Mr. Kelley is in the vicinity. Possessed of a wit as penetrating as his voice, Mr. Kelley is deservedly popular with faculty and students alike. This treasure of a treasurer seems to us a fitting recipient of the honor of this dedication.

## In Appreciation

The four recently retired teachers pictured above represent approximately one hundred and fifty years of service in the education of young people in the town of Norwood. Nothing can measure the value of their contribution to the youth of today and yesterday. Unselfish devotion, unflagging interest, competent instruction, and patience above and beyond the call of duty have earned them the lasting gratitude of our town. For ourselves and all these others, we say, "*Thank you most sincerely.*"

### Officers of Class of 1959 as Sophomores

STANDING: Moynihan, Williamson, Salie, Crawford, Purpura.

SITTING: Rizzo.

## We Set Sail

In September of '56, our treasure ship was successfully launched with white sails billowing and flags flying. Though at first we floundered a little on the high seas, we soon oriented ourselves and set a straight course for destination "x."

After a month at sea, we elected officers to lead our crew and to keep our clipper in tip-top shape. They were as follows: Michael Rizzo, president; Susan Crawford, vice-president; Marilyn Mitehell, secretary; Sally Williamson, girls' treasurer; William Moynihan, boys' treasurer; Judy Salie, Girls' A.A.; and Gus Purpura, boys' A.A.

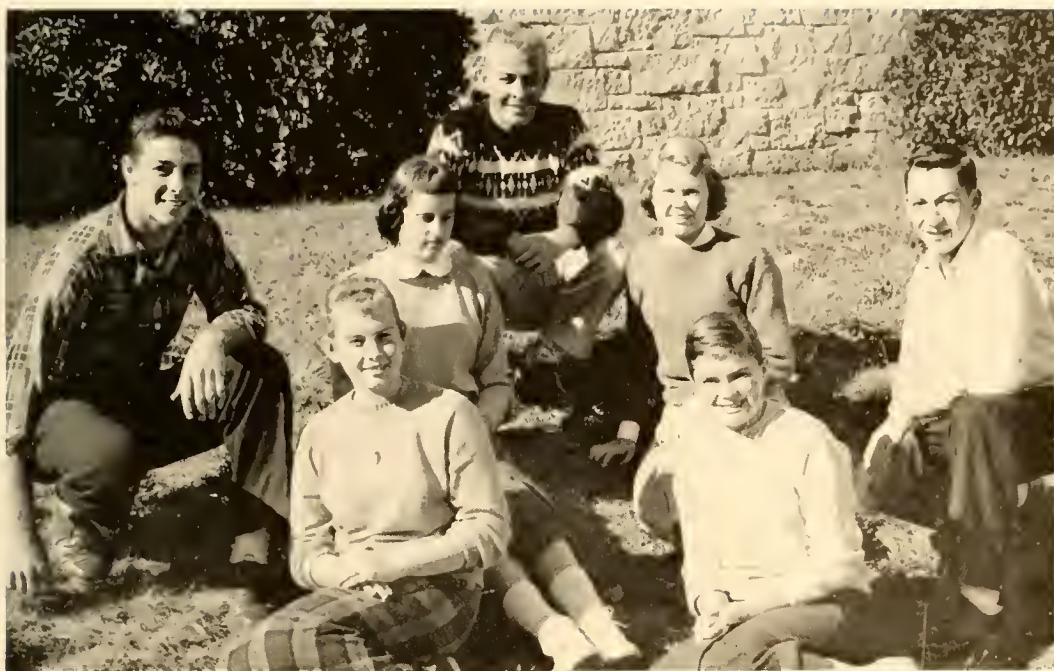

On the night of October 25, 1956, when we had finally become used to life on board ship, we held a gay celebration. We danced to fine music, consumed enormous amounts of coke and doughnuts, and were entertained royally by talented members of our crew. Mike Rizzo did a memorable

job as emcee for the occasion.

Before we had been long en route, some of our masculine ship-mates began to show great promise in the world of sports. On the gridiron, the basketball court, and the hockey rink our crew members demonstrated great athletic abilities.

When December rolled around, we followed in the tradition of previous treasure-ship crews by presenting a Christmas assembly. It was a fine program in which well-known Christmas carols were played or sung and their histories explained.

For the rest of the year we sailed calmly ahead, fortunately meeting no rough seas and avoiding all hurricanes and typhoons. By June of '57, we had completed the first phase of our journey and were still on course, steering ahead straight and true.

## We Pursue a Straight Course

After a two-month sojourn on a South Pacific island, we were on board again, with renewed vigor for the second phase of our voyage. Being more experienced in the art of sailing this year than last, we did not flounder now, but went right to work, electing as our new officers Michael Rizzo, president; Leslie Swift, vice-president; Martha Keedy, secretary; Peggy Brannelly, girls' treasurer; George Sanborn, boys' treasurer; Nancy Erickson, girls' A.A. and Tony Grinavie, boys' A.A.

As soon as the sports season got under way, it was plain to see what our crew was just bursting with fine athletes. Our gridiron greats, Tony Grinavie, Pete Dixon, Bob Bethoney, Dan McKenna, and Bill Moynihan, distinguished themselves and heaped honor on our class. On the basketball court Jerry and Jack Connellan, Dan McKenna and Pete Dixon

proved to have great scoring potential, while on the ice, Artie Walker, Gus Purpura, Bill Moynihan, and Tom Brannelly won the applause of all. Of course we were proud too, of our diamond boys, Paul Murphy, Tony Grinavie, Peter Dixon, and Dan McKenna.

On the memorable evening of April 11, came one of the most climactic events of our voyage — our junior prom. We were all delighted with the gaily striped carousel, the wishing well with real water, not to mention real fish, and the garlands of flowers. This was one evening when *April Love* was truly in the air.

To conclude the second phase of our voyage, we presented a class day for the Seniors of '58. Eagerly we looked forward to the final stage of our journey which we knew would bring us to the long-awaited treasure.

## We Approach Our Destination

With a stir of excitement and anticipation, we began the third and final leg of our journey in September of 1958. On board were two new fellow travelers, Peter Koehl and Belgin Tanil, both of whom we have found to be fine and interesting company throughout the year.

To keep our ship in order during this last and all-important phase of our voyage, we elected Michael Rizzo, president; Thomas Brannelly, vice-president; Nancy Erickson, secretary; Marilyn Mitchell and Daniel Gillis, treasurers; and Joan Fairbanks and Daniel McKenna A.A. representatives.

We had been underway only a short while when the football season arrived again, with the N.H.S. team full of its usual spirit and determination. Our memorable grid-iron men Bob Bethoney, Pete Dixon, Tony Grinavic, Danny McKenna, Billy Moynihan, Jerry Connellan and others formed a nearly impregnable team. Adding to the zest and enthusiasm of the games were our cheer-

leaders Marilyn Mitchell, Leslie Swift, Martha Keedy, Kathy Burke, Sandy Nixon, Captain Susan Crawford, and juniors Ellie Eckhardt, Jackie Pasioneck, and Leona Rentel.

The first feature presentation of our crew came on December 5, 1958, when Sally Williamson, Frank Babel, Charlene Tomm, and John Noonan starred in *Seventeen is Terrific*, coached by the able and hard-working Mr. John Flaherty. Other members of the cast that we will never forget were Danny Gillis, Bonnie Hussey, Peggy Sullivan, Stephen Clem, Muriel Naylor, Mary Carpenter, Carol Sarno, and Martha Snider.

Excitement over the play had scarcely died down when the hockey team began its breath-taking and successful season. We all cheered wildly for Tom Brannelly, Gus Purpura, Artie Walker, Billy Moynihan, Jimmy Neilsen, and Ed Graney, as they won game after game. The arena this year was certainly a crowded place, echoing with cheers for Norwood.

At the same time, our basketball team, carried on to victory by such hoop-stars as Danny McKenna, Jerry Concannon, Ronnie Wilder, Paul Murphy, and Pete Dixon, was adding more credit to the N.H.S. reputation in the world of sports.

The time seemed to fly by as we breezed briskly along over a calm blue sea. Suddenly it was April 17th and we were presenting our senior musicale, "Piot Taeties '59," to a full house at the Junior High School. Of course, being a production of the class of 1959, it was a tremendous show.

Simultaneous with the coming of spring was the opening of the baseball season. Pete Dixon, Danny McKenna, Paul Murphy, Tony Grinavie, Bobby Giamusso, Frank Babel, and Paul Costello kept our team at the top of the league, the accustomed place for all N.H.S. teams of 1959.

Spring was really in the air the evening of May 15th when we flocked happily

to our last big event on board, the senior prom. It was a wonderful occasion, topped off by dancing at the King Phillip.

Now, as we draw closer and closer to the end of our treasure search, we wish to thank Mr. Hayden, Mrs. Riley, and Mr. Flaherty; the yearbook editors, Bonnie Hussey and Ronnie Wilder; Mike Rizzo, our president; Bob Bethoney, our Student Council President; and Miss Hubbard, Student Council advisor, and all our helpful hard-working teachers for their aid in making our voyage successful.

Today we have reached destination "X," the goal that seemed so hazy and so far distant back in September, 1956. The treasure has been uncovered and divided among our crew. Of course, you must all know by now that our treasure chest is filled to overflowing with rich, golden memories of our three years at Norwood High School.

## TIOT TOP TRIO

Holding down the three top positions in the class of 1959 are the above-pictured beaux garscons. In electing these capable young men to their exalted positions, the class displayed great perspicacity, for they performed their duties well.

Michael Rizzo was elected class President for three successive years. Naturally, it was no surprise when he was voted the most popular man in the class. He was also named the most dependable, most musical, best-dressed and cutest. The last category took some living down. Mike was President of the high school band also. He hopes to attend Boston College in the fall.

Robert Bethoney was President of the

Student Council and Circulation Editor of the yearbook. For three years he played rugged football in the Varsity Squad. Six feet two and weighing 215 pounds, Bob, in the parlance of the day, is a "good-looking hunk." Columbia University is his college choice.

The blond member of the trio, who has accomplished much in his quiet way, is Ronald Wilder, yearbook editor-in-chief. Ronnie's class mates named him as the best student and the one most likely to succeed. Basketball is his favorite sport and mathematics his favorite subject. Intellectually he leads the class. Bowdoin College or the Air Force Academy will be enhanced by his presence in the autumn.

### BOYS' VOCATIONAL SCHOOL

*Perfection consists not in doing extraordinary things but in doing things extraordinarily well.*

The class of 1959 makes the sixteenth group of boys to graduate from our boys' vocational school. This is a small class but a versatile one, with eager enthusiasm and a will to succeed in the field of their chosen trade — Cabinet making.

The training provided these boys has been intensive and thorough, and will afford them the greatest possible return for the time spent in learning the operations of modern woodworking machines, and the handling of up-to-date hand tools. The development of manipulative skills

prove our young men are adept in all situations concerning their trade.

Academic and related work requirements have fulfilled the necessary educational background so essential to each graduate when he seeks employment. We are sure these young craftsmen will make worthwhile contributions in the field of cabinetmaking.

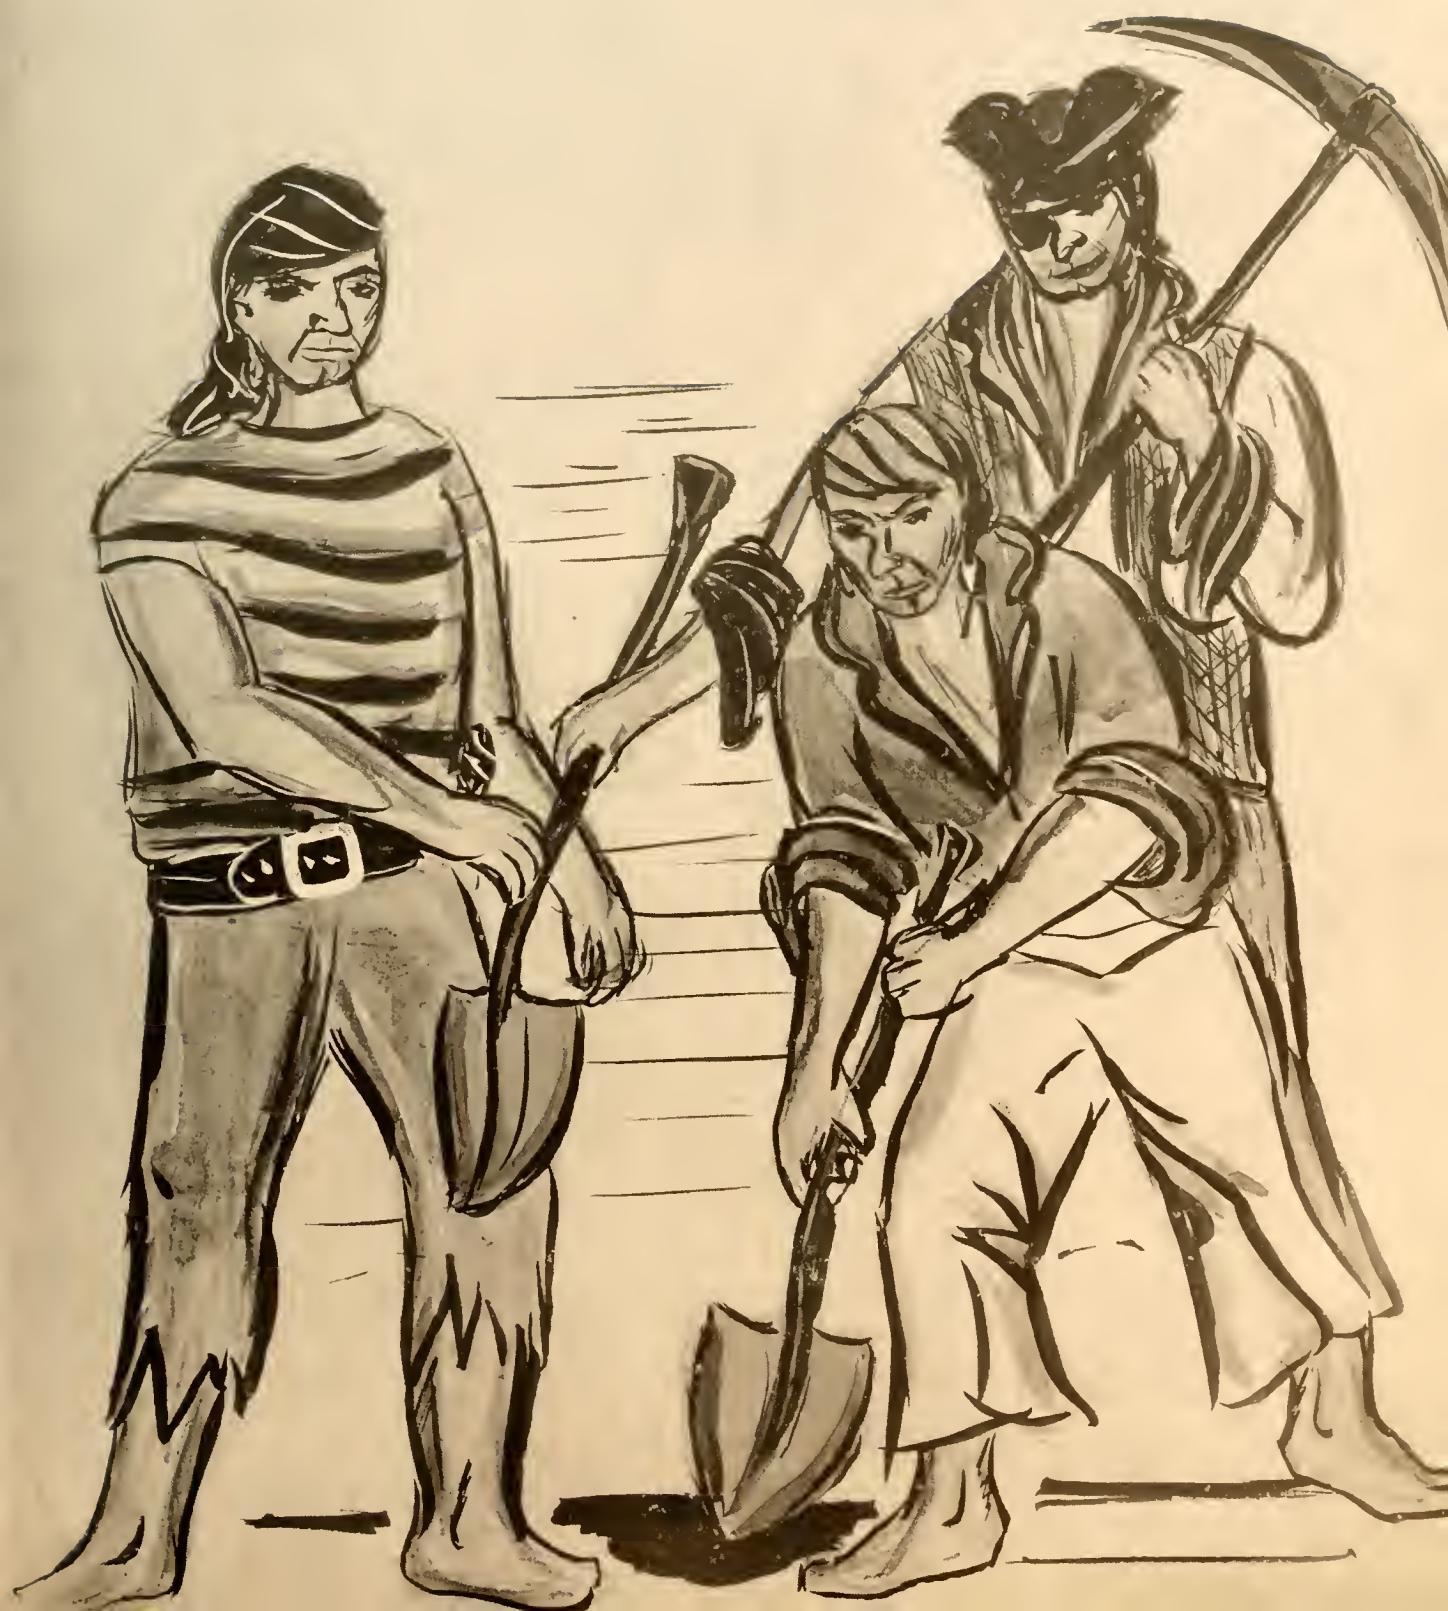

To be a success you must  
First, be a man  
Next, have a plan  
Then, never say "Can't"  
But always say — "Can."

## BEAUTY

High standards of performance and a passing grade on the state examination promise opportunities for the cosmetology student. Areas of work include shop operator or owner, facial specialists, manicurist, and stylist.

## FOODS

Training in the commercial foods field assures graduates of profitable positions as caterers, assistant chefs, tea room operators, pastry cooks, bakers, and restaurant helpers. Employer demands have increased placement of students in many outstanding food establishments.

## FASHION

Students of fashion find avenues of interesting work. Designing, pattern drafting, fitting, power-operating, and tailoring are some of the possibilities. Many graduates enjoy working in private establishments or operating businesses of their own.

# DEPARTMENTS

## ART

The Art Department accents color and design as applied to each trade. In addition, the department serves the school in its activities by helping to co-ordinate classrooms and extra-curricula activities with artistic ideas.

## ACADEMIC

Academic classes are a vital part of each student's daily program. English, social studies, mathematics, and related science are among the subjects which contribute to the cultural growth of each individual.

## BUSINESS

The work accomplished by those in the business classes opens the way to interesting careers as secretaries, stenographers, file clerks, machine operators, typists, and general office clerks. Graduates assume initial positions of responsibility with promise of rapid advancement.

## **The Student Co-operative is an Active Association**

In June of 1958, for the first time in the history of our School, the Student Co-operative Association elected its president and vice-president for the coming year. In September, therefore, our year "got off" to a good start with Gertrude del'Etoile as president and William Maglio as vice-president. Later in the month, after our annual rally and voting, we elected Florence Kelley as secretary and Barbara Ferrick as treasurer. A homeroom representative and alternate was elected by each of our five homerooms to complete the membership of the Executive Board.

The Board members guide student affairs during the year, and they are responsible for the success of such affairs as the freshmen Get-Acquainted Tea, Halloween Party, Christmas Sale, White Elephant Sale, Skating Party, and the Annual Step Party, as well as for arrangements concerning student attendance at the ballet, opera, and plays.

Money raised by the Association is used to sponsor educational tours, field trips, and to defray part of the student expenses for many of our extra-curricular activities.

### **Peabody Press Club**

Santoro, Wilkinson, Tingley, Ferrara, Septelka, Hamilton, Shanahan, Wright, Sutherland.

## **The Peabody Press Club is Proficient**

The Press Club of the Henry O. Peabody School is composed of a group of interested students who volunteer their services to find and report news of interest to the members of the school and to the community. Each year we have been fortunate in having enthusiastic people as members of our Press Club.

Effective leadership in news reporting has been given this year by Chairman Daniel Septelka, with outstanding work being done by members: Christine Manning, Frances Shanahan, Janet Tingley,

Diane Sutherland, Beverly Wilkinson, Wayne Santoro, and Barbara Ferrara.

The news gathered by these students is edited in the typewriting class, and it is typed for the weekly column "Peabody Personalities" of the Norwood MESSENGER by students of the Stenographic Program. Typists this year have been Anita Ferrara, Gretta Gibbs, and Marjorie Davidson. Teachers working with the Press Club this year are: Miss Page, Mrs. Beardsell, Miss Morrison, Miss Vigorito, and Miss McCready.

# The High Spots of Our Year at Peabody

Looking back on our senior year, we pause to remember our first activity of the year, which was our Get-Aquainted Tea. All the new students, feeling very inexperienced and nervous, were put at ease by the upperclassmen.

With September swiftly passing, we elected our officers and representatives to the Student Co-operative Association. Now that our senior year is nearing the end, we realize that we made wise choices.

October brought with it our Halloween party which was enjoyable to all. We will never forget the happenings which we all encountered in the "cave."

In November, we celebrated with the traditional Thanksgiving dinner, and once again the Foods Department lived up to its splendid reputation of cooking perfection.

When December arrived, we held our annual Christmas Sale, which was a big success. The theme for the sale was "Snowflake City," and everyone was welcomed to the sale by Jack Frost.

Before we could catch our breath, we were preparing for our Christmas pageant, the theme of which was "Peace on Earth, Good Will to Men." We seniors would personally like to thank Miss Riley for making our pageant such a wonderful part of our Christmas festivities.

This year, instead of being the recipients of gifts from Santa at the party following our Christmas dinner, each

homeroom representative presented to Santa a huge stocking of gifts from the students to be delivered to various hospitals and homes for the sick, the orphaned, and the aged. We called this Christmas project "Operation Santa Claus."

During February, after one cancellation because of rain, we held our annual skating party at Rocky Woods Reservation in Medfield.

April brought us to the well-known and loved opera "Carmen," a memorable first experience for many of us. We were proud to welcome the public in April to Open House at the Peabody School.

In May we held our School prom which had for its theme "Blue Hawaii." The beauty of the decorations and a most remarkable night gave us a final setting which will long be remembered by all.

Today, on the day of our annual Step Party, given by the juniors for the seniors, we realize that our long-awaited senior year is rapidly coming to a close. Looking back over this full and happy senior year, we understand how much our school days have meant to us and know that we shall appreciate even more what the School has done for us as we wend our way through the coming years.

### **Junior Officers - Class of 1960**

**STANDING:** Malacinski, D'Espinosa, Eckhardt.

**SEATED:** Fanning, Cashen, Hardy.

The Class of '60 proudly returned to school last September eager to begin our second eventful year on the "hill." Minus the confusion then being experienced by the new "Sophs," we settled down immediately to the steady routine of classes and homework. How high were our spirits during those first weeks of Cicero, Algebra II and College Chem! The election of class officers added to our enthusiasm. Sign-decked cars paraded up and down Nichols Street and campaign speeches hung from every bulletin board, reminding us to take advantage of this democratic opportunity. The results of this election were as follows: Ronald Hardy, president; Brian McTeague, vice president; Mary Ann Cashen, secretary; Jean Malacinski and Charles Fanning, treasurers, and Helen Eckhardt and Thomas D'Espinosa, A.A. representatives.

Our Junior boys helped in rating our school high on every sports poll. Steve Gulla, Bob Jesseau and Mike Seafati, next year's gridiron captains, proved themselves promising stars. Ed Graney and Jim Neilsen, both valuable hockey players, are looking forward to their third successful year on ice, as is capable Dan

Laakso on the basketball courts. Three of our members were on the cheering squad, Ellie Eckhardt, Jackie Pasioneck and Leona Rentel.

Next came spring, then April showers, and then — the most wonderful night of the year — our Junior prom. The atmosphere of colorful decorations, soft lights, and dreamy music brought enjoyment to all.

Saying "so long" on Class Day to the departing Seniors was both sad and exciting, for we realized that in a few short months we would be filling their places as top brass at Norwood High!

### Class of 1961 Officers

Donahue, Bayer, Brannelly, Groves, Butters, Diggs, Balfour.

## We Were Lowly but Lively Sophs

The class of 1961, 280 strong, became an active part of N.H.S. in September 1958, determined to make the very best of the three difficult years ahead.

Shortly we had our officers for the year elected. The supreme position of Presidency was bestowed upon Charles Donahue, who was well supported by Vice-President Dixie Lee Groves; Secretary Maureen Brannelly; Treasurers Joan Bayer and Steve Butters; and A.A. Representatives Jacqueline Diggs and Thomas Balfour.

Our more-than-successful Sophomore Halloween Party gave us a chance to get acquainted with new members and helped to weld us into one strong class. In December we solemnly presented a Christmas Pageant for the enjoyment of our respected upperclassmen.

For the first time in many years Norwood High had mid-year examinations. Those four eventful days were filled with excitement and exhilaration tinged with anxiety.

Sportswise, our boys gave the school good sophomore representation. Phil DeRose, Don Coughlin, Jack Lane, Jack Cotter, Fred Pasquale, and John O'Donnell were popular among the pig-skin fighters and Charles Donahue's hockey participation gained him a position of prominence. On the whole, we believe that we won ourselves a good reputation both academically and socially. The aggressive spirits of all the Sophomore students assure of a prosperous future. Our morale as a class is high and we hope to establish an outstanding record here at Norwood High School. P. W. '61

### Student Council Officers

Fairbanks, Swift, Bethoney, Diggs, Meeker, Burke, Fowler.

## The Council Sums Up its Varied Activities

The Student Council of 1958-1959 has experienced a very successful and active year under the leadership of Robert Bethoney, President; Calvin Meeker, Vice-President; Judith Diggs, Recording Secretary; Kathleen Burke, Corresponding Secretary; and Judith Fowler, Treasurer. Co-Chairmen Joan Fairbanks and Leslie Swift, with Adele Tumas, David Bader, Stephen Coakley and Susan Glynn comprised the Executive Board.

The Council, which was instrumental in bringing our new foreign exchange students here, welcomed Peter Koehl from Germany and Belgin Tanil from Turkey into our organization. Belgin was President of his high school Student Council in Turkey.

On Monday evening, November 10, the Student Council held its traditional Autumn Frolic Dance. With the gymnasium appropriately decorated in gay autumn colors, a wonderful time was had by all. One hundred dollars of the profit

from this affair was donated to the Foreign Exchange Committee.

The Council continued the "Shares in Democracy" program which was initiated two years ago. A Foreign Exchange Program Assembly was held on March 18, with six foreign students participating in an interesting Panel Discussion. The drive was started off with a generous contribution from the Future Teachers of America Club. The results were both successful and gratifying.

Other projects in which the Council participated were the purchasing of the Trophy Cases and a Lamp of Knowledge Plaque.

All members of the Student Council would like to express their appreciation to our Faculty Advisers Miss Mary Hubbard and Mr. John Osgood for their assistance; to our principal, Mr. Charles Hayden, and to all who gave of their support and interest in all our activities.

## The Assemblies Lightened Our Fridays

In September of 1958, the Assembly Committee, under the guidance of Mr. Thomas Roche, began another year of planning educational and interesting assemblies.

It is the duty of this committee to preview and plan the assemblies to be presented, usually on Fridays. The assembly Committee receives financial assistance from the student body, as well as from the Student Council.

The Sophomores put on an excellent Christmas Pageant with the whole class participating. They were assisted by the "Hi Fi's," under the direction of Mr. John Faucett.

Other outstanding assemblies were the United States Navy Band, the Awards Assembly which is always exciting, and the Foreign Exchange Student Assembly

at which the countries of Denmark, Indonesia, Turkey, Iran, German, and France were represented.

Prior to the senior play and the senior musicale, the student body enjoyed samplings of the performances which were to follow. Soloists and guest speakers were the features of other entertaining and instructive gatherings.

## We Had Some Bright Dark-room Artists

The photography club, under the supervision of our competent and enthusiastic advisor, Mr. John Sullivan, had a busy, interesting, and successful year. Contests were held every month with a different type of project for each contest. The following subjects were the basis for the contests: in October, human interest pictures; in November, portraits (on this occasion we had the use of professional equipment owned by Purdy Photographers of Boston who were photographing Seniors for the yearbook); in December, portrait coloring; pet pictures were made in January; snow scenes in February; in March, sports candids; in April, night scenes; and in May, 35 mm color slides. The entries submitted were judged by Mr. Learnard for technical details; by Mrs. Spanos for artistic composition; and by Mr. White for general excellence. A cash prize was awarded to the member amassing the most points for the year.

Our officers this year were: James Reynolds, president; Joel Holmes, vice-president in charge of the dark-room; David Stonefield, vice-president in charge of publicity; Peter Koehl, secretary; and Donald Holmes, treasurer. We all feel that, as a result of our year's work, photography is a terrific hobby.

**SEATED:** Kent, Williamson, Burke.

**STANDING:** Rizzo, Swift, Koehl, Fairbanks, Grancy, Fowler, Tanil, Glynn.

## **The Election Commission Functions Efficiently**

The Election Commission consists of the students who are elected from the Sophomore, Junior and Senior members of the Student Council. Officers of the council work with the commission when help is needed.

The function of the group is to supervise all school elections and to assume responsibility for efficient and honest elections. It sets dates, receives nominations, supervises the balloting and counting of

all votes which have been cast, and publishes the results of all elections on the bulletin boards.

The Co-Chairmen of this year's commission were Sally Williamson, and Roger Kent.

The Election Commission is a very important part of school life and its members earn and win faculty and student approval for their efforts.

## "The Hilltopper" Perseveres

Despite the numerous problems confronting a school newspaper, "The Hilltopper" was successfully published for the second year. In many respects it was still an experimental effort, but thanks to the loyal support of the students, the work of the staff, the unlimited patience of our faculty adviser, Miss Evans, and the determination of the editors, it acquired some aspects of a school newspaper and managed, even without advertisements, to avoid insolvency.

The staff consisted of Judy Salie,

Nijole Makaitis, editors; James Crawford, Dotty Ferguson, Dixie Lee Groves, Muriel Naylor and Leona Rentel, reporters; Mary Deasy, Skirmante Makaitis, Richard Nucci and Walter Virginski, writers; Peter Koehl, photographer; Janice Corsini and Barbara Cummins, typists.

We hope that future classes will not be discouraged by the difficulties that sometimes arise, but will continue the works of making "The Hilltopper" an integral part of Norwood High School.

## Teachers of the Future Unite!

June 1959 marks the end of the seventh year that the Dwight D. Eisenhower Future Teachers of America Club has played an active and valuable part in school life at Norwood High.

Under the leadership of our officers: Sharon McKinney, President; Madeline Zilfi, Vice-President; Judith Diggs, Recording Secretary; Faith Erickson, Corresponding Secretary; Joan Sastavickas, Treasurer; Pauline Kugel, Librarian, and with the guidance of our sponsors, Mrs. Tillie Coburn and Mr. John Pieirilli, the F.T.A. once again prospered both civically and financially.

A food sale, which was highly successful and enthusiastically supported by the faculty and student body, was held in the

school cafeteria in February. Some of the money earned by this sale was contributed to the "Shares In Democracy" drive.

On March 21, Mrs. Coburn and three members attended the F.T.A. Conference for the Eastern Section of Massachusetts at Wellesley.

In April a bulletin board was posted symbolizing that month as "Teaching Month" and stressing the importance of the teaching profession. Another display was put up for National Education Week.

The Club wishes to thank its sponsors, our principal, Mr. Charles Hayden, and all those who have made this year such a success.

## Our School Library Comes to Life

In September the organization of a school library was begun. The equipment in the library quarters was re-arranged for more efficient operation and attractive appearance. A basic collection of 200 reference volumes and 1,000 circulating books has been assembled.

Since the library opened on November 18, 1958, instruction in the use of the library has been given to all English

classes, and student use of the library is rapidly increasing.

A corps of student aids has been organized. These girls have been of invaluable assistance in organizing the library. It is hoped that the aids will, in turn, benefit from an increased understanding of library processes and by a sense of services rendered for the common good.

Driver Training is part of our many-faceted program.

## We Stress Skill, Safety, and Solicitude

Driver Education has been offered at Norwood Senior High School over a period of eleven years. During this time approximately 1500 students have completed the program and have received licenses and certificates from the Registry of Motor Vehicles. This certification enables the parents of the student to obtain a substantial reduction in insurance rates, which in Norwood amounts to about \$41.00.

The course includes a minimum of twenty hours of predriver training in the classroom and a minimum of six hours of observation and six hours of operation of a dual control car.

Under the new registrar, Mr. Clement A. Riley, certain approved commercial schools are now permitted to teach the road training work, after a student has completed the classroom work at the high school.

## Our Piratical Pigskin Pursuers

A spirited Norwood High football team, hungry for a win after having had their opener with Natick on September 27 postponed by rain, downed a strong Needham team 16-0 on October 4. The following week they pinned a 44-6 setback on Walpole with Bill Moynihan scoring two touchdowns. On Saturday, October 18, the superb passing combination of Dan McKenna and Pete Dixon paeed Norwood to a 26-0 romp over Milton. Then the rains came and the heralded contest between Norwood and Stoughton was canceled.

On November first, Norwood ripped Wellesley 40-6 as Grinavie carried the pigskin across the goal line thrice. George Sanborn played another strong defense game.

November 8 was a black day in the annals of the Seafatimen, as a powerful Braintree eleven defeated them in a hard fought game 12-6. Bob Bethoney played a tremendous game carrying the ball and as defensive tackle.

On the ensuing Saturday N.H.S. dazzled Framingham 40-8. Charlie Romeo and "Bucka" Fanning recovered a multitude of fumbles thus setting up several Norwood scores. Paul Costello made a fine catch for a six pointer.

The long-awaited game with Natick arrived and the Seafatimen undaunted by Natick's reputation fought gamely, but were defeated 20-0 in a game that was not decided until the final period. A few breaks on the side of the Blue-and-White could have changed the outcome of the game.

Norwood, as it is customary, swamped Dedham on Thanksgiving morning by a record high Blue-and-White score of 34-0. Tony Grinavie scored four touchdowns and Wally Virginski threw several key blocks on long runs. The J.V. team played most of the final period.

This ended a successful season and gave Norwood third place in the Bay State League with a 6-2 record.

## The Color Here Was A Dark Blue

The basketball team, while building for next year, came through the tough season with a 4 and 12 record. The hard fighting but inexperienced eagles found it rough going against their seasoned opponents. After the dust of battle had settled, the Richardson men found themselves a full four games ahead of the cellar-dwelling Dedhamites, but trailing the league champion Natick by 9 games.

After dropping their first two tilts to Braintree and Needham by close scores, the eagles rebounded by soundly trouncing Dedham and then upsetting a heavily favored Walpole team 71-63. This victory helped keep Walpole from gaining its first Tech tourney bid in recent years.

After trailing Wellesley by 20 points at half time, the local boys rallied to within two points of the hard pressed Wellesley squad, only to have time run out on them. Final score was a heartbreaking 64-62. Then a long five game losing streak began, with our eagles losing to

Natick, Framingham, Milton, Braintree, and Needham.

The Blue and White then leaped out of the doldrums by crushing Dedham, creating a new Norwood High offensive output of 96 points while holding Dedham to just 49. Walpole put a kink in the Norwood scoring machine (Walpole 59, Norwood 49), and the Blue and White put Wellesley aside by the decisive margin of 70-58. The season then ended in a downbeat with our Five losing close ones to Natick, Framingham, and Milton.

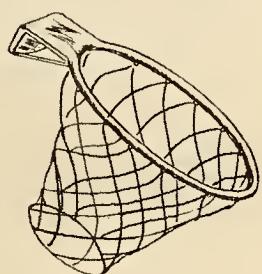

Leading the Tiot Crew in scoring were Danny Laakso, 230 points; Gerry Concannon, "Lefty" Wright, and Tom Jackson all around the 160 point mark. Seniors: Dan McKenna, Pete Dixon, Ronnie Wilder, Paul Murphy, and Ben Palleiko combined their talents for a total of 192 points. The juniors on this year's team will be back next year to keep basketball one of the most popular sports on the Hill.

## We Lived This Season in a Golden Glow

Norwood High's Golden Nuggets were deprived of their second Bay State League Crown in three years, when a spirited Needham team managed to edge them 1-0 in the next to the last game of the regular season. The Needham six picked up a fluke goal early in the game and then managed to ward off everything that the hard fighting Nuggets threw at them. Thus, the Blue and White were forced to be content with finishing a strong second.

Norwood got the season off on the right foot when they defeated Waltham 2-0. The second game found them opposing a determined Wellesley team with whom they struggled to a 2-2 tie. Coach Monbouquette's charges then managed to put together a long winning streak in which they defeated Walpole, Framingham, Watertown, and Needham. A last minute goal resulting in a 3-3 tie kept the Nuggets undefeated through the first round.

Norwood started the second round with wins over Waltham, Wellesley, and Walpole. Their 3-2 win over Walpole marked the first time that a Norwood

team has been able to defeat the perennial power of Walpole twice in a season.

Framingham then gave the Norwood six their first setback of the season 3-1. Norwood rebounded by upending Watertown 4-2, but the Nuggets lost the 1-0 thriller to Needham. The following week the Nuggets ended their regular season by trouncing B.C. High 5-1.

In the first round of the State Play-offs, Norwood defeated a strong Springfield Trade sextet 3-0, but the second round found them losing a sudden-death thriller to Saugus 4-3.

This year's team was fortunate in having two capable lines: Artie Walker, Ed Graney, and Jimmy Nielsen in the first wave followed by Charlie Donahue, George Kozak, and Alan Welch. Ironmen Gus Purpura and Bill Moynihan provided the defense that helped goalie Tommy Brannelly keep the opposition to an average of less than two goals a game. These are the Nuggets that compiled the impressive record of 10 wins, two losses, and two ties while finishing second in the strong Bay State League.

## We Had Our Ups and Downs

The Norwood nine, after a highly successful exhibition schedule, which saw them win 3 out of 4, defeated Braintree by the lopsided score of 10-0. "Al" Giannusso blinded the opposing batsmen while the heavy stickers knocked in 10 runs. They then lost a heartbreaker to Needham 4-3.

Frank Babel won his first game of the season when his team compiled 16 runs, while he limited Dedham to just 2. Natick then reversed our nine by taking a 9-1 game. With Babel pitching, Norwood defeated Framingham 10-5, but then lost to Wellesley 4-0. They rebounded to take Milton 4-3 and lost to Walpole 10-7 when a last minute rally fell short. This completed the first round.

Although unable to win two in a row

thus far, Norwood has managed to record a .500 average. A win streak in the second half could put them near the top of the Bay State League. They appear to have started that streak by defeating Braintree 5-4 with "Al" Giannusso pitching a four hitter.

Coach Seafati was fortunate in having this year a potent "Big Three," consisting of "Bullet" Babel, Paul Murphy and "Al" Giannusso. Pete Dixon was the brains behind the plate. Danny McKenna provided the fielding gems of the year, while Tony Grinovic was giving the flagpole the jitters with his long drives to center field. "Rocky" Costello held down the third base bag while coming through with an occasional timely hit.

Every graduating class is sprinkled with a gentle  
stardust of gracious but most unscholarly mysties.

They are dark horse "sleepers."

When YOU enter the final stretch of life's contest,  
yon may find yourself digging hopelessly to catch  
them!

## *Merci Beaucoup*

We wish to take this opportunity to thank the sponsors and advertisers who have helped us to finance this yearbook. At the same time, we wish to suggest to our fellow classmates and to all our friends who read this book that they patronize the stores listed in our advertising section. Yearbook advertising may reach a more limited audience than newspaper advertising, but it is much more permanent and much more handsomely displayed, and it will be read through the years by all of us who cherish this souvenir of happy high school days.
